

Econ 2250: Stats for Econ

Fall 2022

What we will do today

- Something that we discussed last time?
- Redo the glossary thing that I messed up.
- Examples of git - branch - commit - merge for the extra credit.
- Basics of colab.

Glossary Try 2

git example

Colab example

<https://colab.research.google.com/>

Exercise

Let's make sure that everyone
can create a blank colab
notebook

End of class form
